Recommendation for Matteo Iadonisi

It is my pleasure to offer this letter of recommendation for Matteo Iadonisi. I have known and worked with Matteo since 2015 at Rowan University's college radio station 89.7 WGLS-FM. During his time at Rowan Radio, I have found him to be a wonderfully creative talent and dedicated broadcaster who is committed to excellence. His steady output of scholastic and professional work has earned him not only the respect of me and others at Rowan, but the respect of everyone who knows him. Matteo also receives admiration from our Rowan Radio members as being someone who has accomplished so much – production director, on-air personality, voiceover artist, talk show producer, YouTube video producer, editor, writer, and journalist - in a very short amount of time.

Matteo Iadonisi is a very bright and achievement-oriented person, and he excels at completing objectives toward desired results. Such traits in addition to his strong work ethic and people skills make him an extremely vital asset in any company or broadcast setting. He has the natural ability to lead, to think “outside the box”, and to see things through. In everything he does, he has the ability to create teachable moments that motivate those around him to achieve their very best.

I am very confident in Matteo Iadonisi's ability to find great success. Based on my 25 years of experience as a broadcaster, I find Matteo to be a true media professional. I am proud to work alongside him, and even prouder to be a mentor to him. I strongly support Matteo's application for scholarship.
