To whom it may concern,

This letter is a letter of referral and recommendation for Matteo Iadonisi.

I have been working with Matteo over the last three years at WNJC 1360 AM. Matteo has been acting as my producer, researcher and Webmaster. He is one of the most honest, hardworking and exceptional people who has ever worked for me. I know once I give him a task, it will be performed on time, completed to my instructions and with my total satisfaction.

Besides his professionalism, eagerness to learn, and integrity, he is someone who I can trust with confidential information and I know that trust will never be violated.

Every once in a while you meet a young person with character, creativity, work ethic and intelligence and you just know that they will be very successful in life. That is how I feel about Matteo Iadonisi. I believe he will be a credit to any organization or company who hires him.

I know if you decide to hire Matteo, he will not disappoint you as he has never disappointed me!!!

If you have any question or would like further information do not hesitate to contact me directly.

Thank you,
